Port Austin, Michigan  
2003

As the final stages are being completed our directory should be going to press soon. As you receive it I hope you will enjoy several dimensions that it offers. The pictures are a wonderful record of the members of our parish. Yes we were here and there are signs of our participation at St. Michael's Parish. Our names are a part of the directory too! As a historical footnote the people who are fortunate enough to inherit what you have helped create will smile and enjoy the family names and the legacy you have contributed to here at St. Michaels.

God has blessed on numerous occasions the activities, celebrations, and people that have graced our Church with their presence. The importance of this is found in the realization that beyond the cultural and political limitations of our times the Holy Spirit has united us for Holy purpose. The purpose has sustained families, comforted the grieving, and celebrated new births and long lasting marriages. For this we are very grateful to God and your Faith.

Acknowledging God's providence I am honored to be included in this directory as one more sign of the commitment of Diocese of Saginaw and my family to sustain ministry here and in the name of Jesus Christ.

*In Christ  
Fr. Robert J. Pare'*
