More than ever America's future lies in the land. And the face of the land can be a smiling one only through sound, wise management.

Every 4H boy and girl is important in making America's farms bountiful ones. Almost before you know it, you will be the nation's top farmers. That's why this Company is so vitally interested in 4H Club activities.

As you grow in wisdom, skill and confidence, so will America.

HURON COUNTY HOLSTEIN BREEDERS ASSN

More registered Holsteins than all other Dairy Breeds combined.

PLEASANT VIEW HOLSTEIN FARM

SIGN OF THE TIMES

Today's dairy barns and equipment are worth many thousands of dollars. Milking machinery, bulk tanks, barn cleaners, hay driers — and all these modern aids cost real money.

To get the most from such investments, you need a top cow in every stanchion. They should be cows of known, recorded ancestry . . . efficient, high-producing, long-lived and rugged.

REGISTERED HOLSTEINS are such cows.
